A screenshot of the Windows 10 taskbar. On the left is the Start button. Next to it is a search bar with the placeholder text "Escribe aquí para buscar". To the right of the search bar are several pinned application icons: a folder icon, a blue circular icon, a yellow folder icon, the Google Chrome icon, a red icon, a blue icon, a green icon, and the Microsoft Excel icon. On the far right of the taskbar is the system tray, which includes icons for network, volume, and battery, along with the date and time "10:42 a.m. 11/08/2018".
